

*Come Skate With Us!*

## *About The Club*

The Princeton Skating Club is a community of families, athletes, and professionals united by a love of skating. Through our programs, the quality of our staff, and the energy of our members we ensure that all of our skaters have the opportunity to pursue their skating dreams. From the recreational skater to the Olympic hopeful, singles to ice dancers, beginners to lifelong enthusiasts, The Princeton Skating Club offers opportunities for all skaters.

*We invite you to come  
skate with us!*

# The Princeton Skating Club

## Welcome

From the time of our founding in 1933, Club members have appreciated our warm, family atmosphere, which encourages lifelong enjoyment of ice skating for everyone. The Princeton Skating Club is a club for our members at all ages and levels of skating. Families appreciate the opportunity to develop friendships and involve their children in shared interests, whether on the skating rink or gathering for the Club's many social events. Club ice time is offered at top quality facilities conveniently located at the Lisa McGraw Rink at Princeton Day School and Baker Rink at Princeton University.

The Princeton Skating Club is a private member-owned 501(c)(7) organization. Private means that you and your friends will be guaranteed quiet enjoyment of the Club's amenities and events.

## Membership

The Club has memberships aimed at making joining the Club more affordable and flexible. There are three types of membership to choose from:

**Family**— all members of your family can skate on Family sessions, which are planned for Friday evenings, Saturdays and Sundays at the PDS rink.

**Individual**— one member can skate on Family sessions, which are planned for Friday evenings, Saturdays and Sundays at the PDS rink.

**Comprehensive**— individual membership for more advanced figure skaters with practice on Free Style and Dance sessions most evenings and weekends during skating season.

**NOTE:** Please check website for up to date information on skating season and dates/times.

## Lessons

**Group lessons** are available for all ages – toddlers to adults. The Club offers two 8-week sessions based on US Figure Skating Basic Skills program. Also offered are lessons in hockey skating, free style, and ice dance (learn a routine!). The Club also offers the flexibility to build your own group if can find 3 other interested skaters. Class sizes are always limited to 10 skaters at maximum, so there is a high level of student/coach interaction

**Non-member Group Lessons** are offered for a 5-week session of lessons and weekly ½ hour of practice is also offered to non-club members (absolute beginners 10 years old and younger).

**Private lessons** are also available and can be arranged directly with our coaching staff. Fees vary by Coach.

**Questions?** Please e-mail us at: [princetonsc@aol.com](mailto:princetonsc@aol.com).
